To the class of 2012...

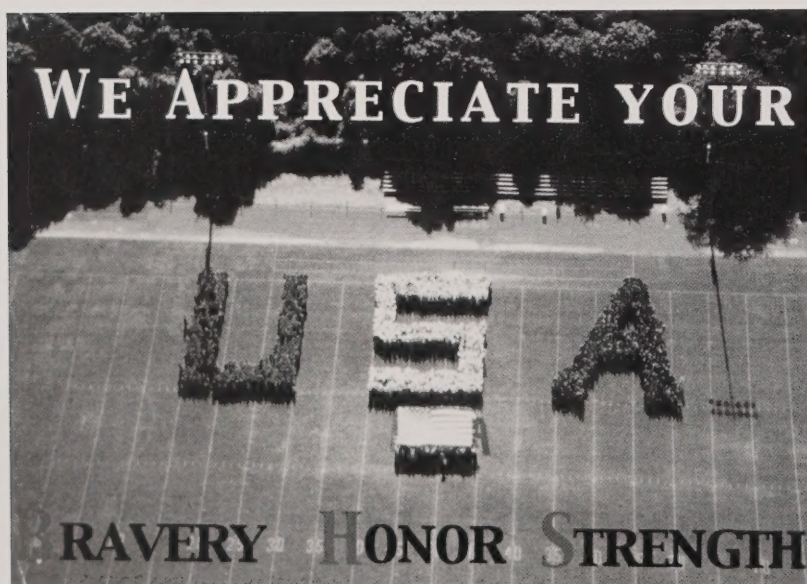

What an adventure it has been over the past four years. We found a way to welcome eighth graders to our school. We won many OCL championships (and a few State Championships too)! With our victory on the powderpuff field as Juniors, we created new traditions like Field day, dunk tank day, and worked hard to keep Challenge Day alive. We couldn't have done it without the love of our family and friends. Nor would we have had as much fun without Mrs. Crook guiding us along the way.

THANK YOU!

It's been great and now it is time to go.

For the tenth anniversary of 9/11, Barnstable High School placed a special memorial stone in the Memorial Garden, then added two symbolic trees in place on either side of the stone to add to the remembrance of 9/11.

September 11, 2001

The students and faculty gathered to commemorate the tragedy of 9/11. In an orderly fashion everyone stood together to form the USA; Seniors forming the "U", Sophomores and Freshmen forming the "S", and Juniors forming the "A" shapes.

Retirees

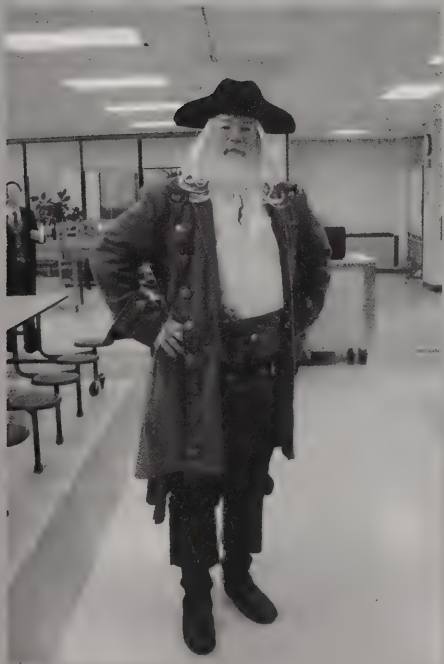

Ms. Collins

Ms. Collins! I'm going to miss you.
Thanks for telling me I can enjoy
reading. Just had to find the book for
me! I'm so glad I got to have you as a
teacher one out of my four years of
high school. Thanks for everything! <3
-Rogetta #20

Mr. Sullivan

Mr. Sullivan has been a
guiding force
throughout my high
school years. He has
been a mentor, a
teacher, a director and
a friend. Barnstable
High School and its
drama club will never
be the same without
him. His influence will
live on in everything we
do.

After last's year's Spirit Week, the class of 2012 decided to create yet another new tradition: Field Day!

Once the logos were decided, teams of two + were formed for the various events. Dizzy Lizzy, Potato Sac Race, Three-legged Race, ping-pong ball on the spoon. There was an obstacle course, Tug O' War, hula hoopin and water balloon toss.

The final score was 43-23!

While Jeff Underhill flies down the obstacle course slide, the men win the tug o' war and Julia races to the end with her ping-pong ball in place.

The winning logo designed b

The balloon toss made us all laugh as some balloons seemd to be super strong; even when they hit the ground, they did not break!

RALLY 'ROUND THE CLASS OF 2012!

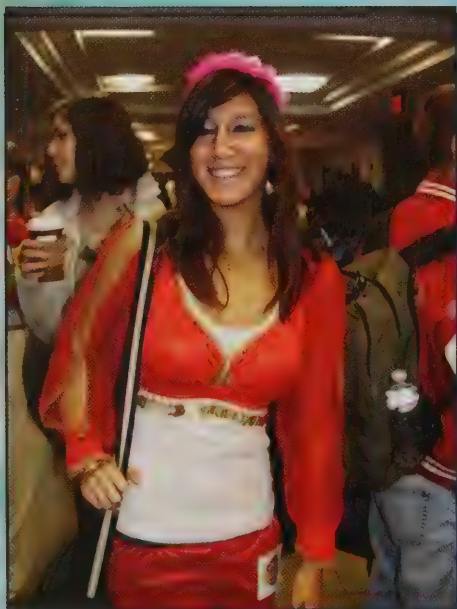

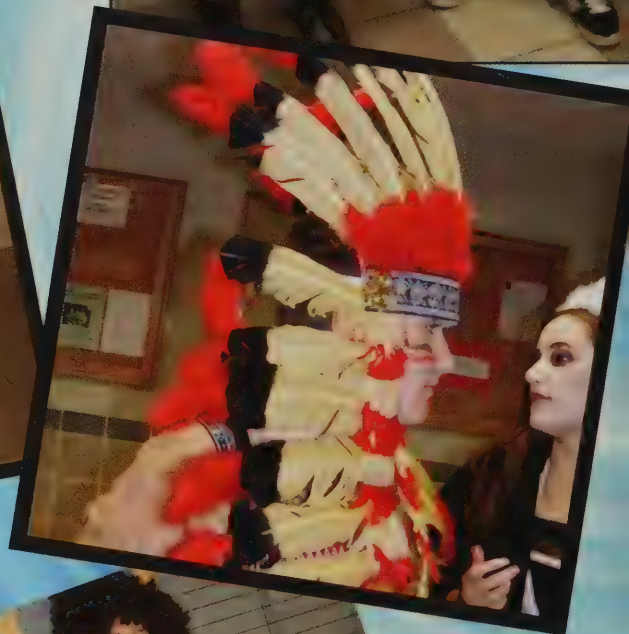

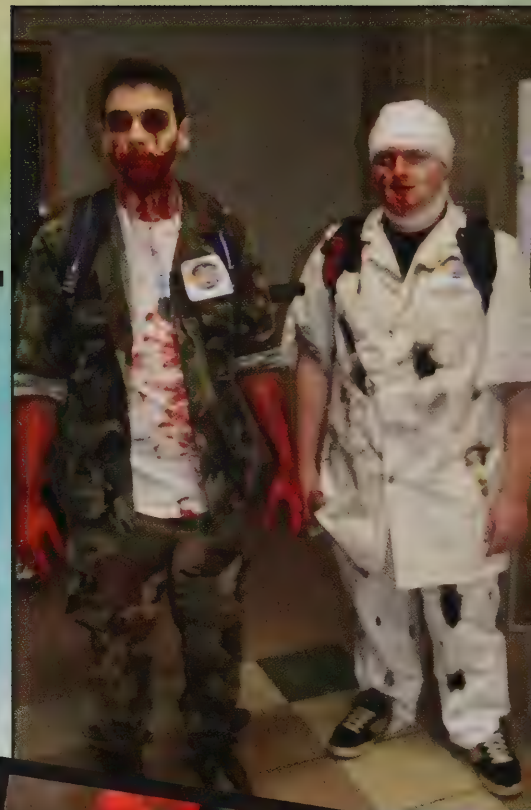

While Joey gave the corwd someting to cheer about with the balloon toss, T.K. was working the Hula Hoop!

This new tradition allows the Seniors and Juniors to compete in a fun, safe way. It is also more inclusive as the men and women work together to bring home the victory! The class of 2013 is excited to keep this tradition alive.

I guess it's true what they say...time really does fly when you're having fun! In a blink of an eye I'll be heading out west to get muh cali swagg on. I'll be thinking of everyone back home when it's -32 out :) Thanks to the support of family & friends, I MADE IT! Keep it classy class of 2012. Adios!

You and I did more fantasy drafts than I can count(TB). You and I quoted seinfeld daily. (MS) You and I ran track together. Turns out running is not really my thing. (SM) And you every time I see your face I can't help but smile. The best part if high school was spending it with you. (CLH)

Fernanda Pereira

I can't believe it's over. Thanks Mom, Dad, Carol, Gui, and my friends for always being here for me. Also, thanks Ms.Graf, Ms.Cooper, and Mr.Stern for the help in those 3 years of high school. This was a challenge for me, and now I'm proud of myself because i got it! Thanks BHS, I'm going to miss this, but now it's time to change.

Whisper Perry

I believe everything happens for a reason. Either good or bad. People change so you can learn to let go. Things go wrong so we can appreciate them when they're right. We believe lies so we can learn to trust. Beautiful things can come from anything. I'm thankful for all those I love. Esp. my son KMJ

Dylan Piknick

Four years of fun will not soon be forgotten. Magic tricks at lunch, videos for b2b, and some of the best friends that I've ever had. Stay in touch everyone! Don't forget the good times we've had. These were the days that we will remember for the rest of our lives. Good luck!

Courtney Razon

If there's one word that describes my time at Barnstable High School, it's forgiveness. Forgiveness of those who have teased me throughout the years, forgiveness of mistakes made by those who loved me, and forgiveness of myself for the silly things I've done growing up. I want to thank all of those who've helped me, pushed me, and made me stronger throughout this journey. I'll never forget any of you and I truly love all.

Meghann Soby

My whole high school experience has been filled with ups and downs, and full of memories I will never forget. I've made many lasting friendships over the past few years. And without my friends and family I would be nothing. Thank you for always being there, I love you all.

James Starkey

To my family, friends, teachers, instructors, mentors, and coaches, I thank you. I appreciate the life lessons that I have learned which I will take with me wherever I end up. You have all been my support and supreme benefactors to prepare myself for wherever life takes me and it is because of you that I can say I'm ready. I love and thank you all.

Attitude by Charles Swindoll

"The longer I live, the more I realize the impact of attitude on life. Attitude is more important than facts. Attitude is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than the past, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company...a school...a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way, We cannot change the inevitable. The only thing we can do is play on the one thing we have, and that is our attitude...I am convinced that life is 10% what happens to me and 90% how I react to it."

Katie Ellinwood

I never thought the end would finally come, but its been a crazy ride 2012. Neutrons.ST.CD.MT.OC I don't know where I'd be without you, love you to pieces. wobble dee wobble. My girls CE.AS.AK.TD & my boys thanks for all the laughs and memories that we'll never remember. Baxters girls love you all! B.L you'll always have a place in my heart. Mom, Dad, and the whole family thank you for all the love and support. Congrats & stay truah BHS.

Taylor Lahteine

I want you to remember the times we laughed, don't worry if it makes you cry. Remember when we said hello, and don't think of goodbye. Think of the times in class, when we really screwed around. The friends we are now, and the love that we found. Our memories I hold, the happy and the sad. I laugh at the good, and learn from the bad. Four years have gone, 1460 days. That's 126144000 seconds, I could have changed my ways. But it is what it is, you can't change the past. Just remember lovely days, in your head they will last. Remember the kisses, the hugs, for the bros high fives. Cherish these days, they are the best of our lives. For my friends I'm lucky, always caring and kind, you have always been there for me, to save my heart or my behind. Please keep in touch, when I'm far and away. You will always be with me, every night and day. For the girls in my life, I apologize if I hurt your heart. Love is new to me, sometimes I wasn't so smart. Know it was never my intent, if I could take it back I would. Please just forgive me, if you ever found that you could. If I said I love you, know it's true. And I always will, no matter what I said to you. To the guys, you always had my back, don't you see. I'm sorry if I wasn't the same friend to you, as you were to me. I tried to be the best, a guy to remember. Know you will always be my bros, tomorrow and forever. To my family, I can't thank you enough. Always gave me the best, even when times were tough. You sacrificed so much, know how well you raised me. Even though I'm grown, I will always be your baby. It has been real, stressful and tough. It can't always be easy, we all know life is rough. But no worries, just let it be. And if I had one last thing to say, class of 2012, just please, remember me.

You were my gift, I don't know why. You came to me from the stars in the sky. Your years of growth have gone so fast, I wish I could have made some of those days last. You now have become a man with emotion and wisdom, To your heart, I hope you will always listen. The reason to this world that you were given, is a mystery, only you can find by your soul inside your world soon becomes as strong as your will, this I know as I have watched the heavy values that you instill. Do not give in to a moment's emotional desire, even though it fills your thoughts with despair and fire. Look at the world as whole not just pieces, as you

grow older everything will come together from the road you choose and all that it reaches.

Congratulations

Devin!

You did it!

We love you!

Best wishes to the Class of 2012

If ever there is a tomorrow we aren't together there is something you must always remember... you are braver than you believe, stronger than you seem, and smarter than you think, But the most important thing is...even if we're apart I'll always be with you. And remember all roads can bring you home." -A.A. Milne

Miss Leah I am so very proud, remember all roads will lead you home... Love Mom

"You can only become truly accomplished at something you love. Don't make money your goal. Instead pursue the things you love doing and then do them so well that people can't take their eyes off of you."
